

Invitation  
to  
Workshop on “Mobile Broadcast Service Standardization”  
to be held on  
**23 May 2005**  
in Den Haag, The Netherlands

Dear Sir/Madam,

This is an invitation to the workshop on “Mobile Broadcast Service Standardization”. This informal workshop is targeted to members attending the related standardization work in OMA, 3GPP, 3GPP2 and DVB, as well as other interested parties. Please note that the attendees and presenters of the workshop attend on behalf of their companies, not on behalf of the standardization groups. The remainder of this invitation provides information regarding the arrangements of the workshop.

**Workshop Location**

Meeting room “Serre”  
KPN Offices building TP5  
Maanplein  
Den Haag  
Netherlands

**Workshop Schedule**

23 May 2005, at 10:00 – 17:00 (local time)

**Workshop Registrations**

To register for the workshop please send an email to the workshop contact as indicated below **before 15 May 2005** to permit the arrangements to be made including handling the security issues with facility. Late registrations will be permitted if space permits. The security rules for the venue require that badges be worn at all times – please register to make sure a badge may be prepared in advance to avoid any delays.

**Workshop Contact**

Franklin Selgert, KPN  
Office Tel: +31 653 798 982

**Notes**

- The host will provide light lunch. For any special dietary needs, please contact Workshop Contact.
- Paper copies of presented documents will not be provided.
- WLAN will be available in the workshop room.
- The voltage at the venue is 220 volts. Please bring the correct adapter, as voltage converters will not be provided at the workshop.
- The workshop will be informal in nature, which means that no normative decisions will be taken regarding any attending group. However, the respective groups are encouraged to discuss the outcome and recommendations of workshop further in their own, internal meetings, after the workshop.

## ***Agenda***

### **1. Presentations of related standardization groups**

- Focus on the current scope of ongoing work and results that are available.

### **2. Presentations by companies attending to the standardization of mobile broadcast**

- Company's view on the current standardization situation
- Company's view how the future should look like

### **3. Informal discussion on the scopes and possible synergies between groups**

- Clarification of the role of each group.
- Maximizing global interoperability of Mobile Broadcast services
- Informal recommendations

We look forward to seeing you.

Yours sincerely,

Toni Paila  
Nokia  
Convener of the workshop

Franklin Selgert  
KPN  
Host of the workshop
