20 **Re: Recent Liaison Statements**
21

22 Dear Kyung-Tak:
23

24
25 Further to our correspondence of 2005-12-09, please be advised that we have recently
26 recommended publication of X.S0016-A v1.0. Actual publication will now be held at our
27 Steering Committee until resolution of the impediments to our ability to normatively reference
28 OMA documents.
29

30
31 We have now taken the decision to cease updating X.S0016. Consequently, when these
32 documents are transferred to OMA, you should be aware that the following CR's have not been
33 acted upon:
34

- 35 ▪ OMA-LS_0057-Correction-of-Section-3.1
- 36 ▪ OMA-LS_0058-Routing-Address-Resolution-20051026-A
- 37 ▪ OMA-LS_0065-Corrections-to-3GPP-TS23140-3GPP2-XS0016-20051216-A
38
39

40
41 Regards,
42

43 *Betsy Covell*
